

**37<sup>th</sup> Annual Conference  
Lunenburg, Nova Scotia  
May 26-29, 2010**

**General Conference Information**

**Conference Location**

**Lunenburg – A UNESCO World Heritage Town**

Lunenburg offers a compact and comprehensible townscape, an intact 18th-century colonial street plan, a fine collection of buildings from a broad span of time, and a vivid maritime setting.

It is an excellent base for visiting the South Shore of Nova Scotia and Halifax is a 1.5 hour drive away.

Due to the steep hills in Lunenburg, walking can be difficult. However, it is a walkable town and there is much to see and enjoy.

**Fisheries Museum of the Atlantic**

The Museum has a spectacular view of the historic Lunenburg harbour and you can experience life in a fishing community and explore up-close, life at sea. Learn about rum running, whales and August gales. Have a yarn with old salts, get to know the lobsters and enjoy Bluenose memorabilia. Walk the docks and refresh in the salt air as you immerse yourself in one of the best maritime moments in the world.

**Dining in Lunenburg**

At the beginning of the season (May) restaurants tend to close early. Most do not serve after 8:00 p.m. and some close as early as 7:00 p.m. Reservations are recommended.

**Special Needs**

Please indicate if you have any special dietary requests or special physical needs. We will do our best to accommodate your requests if they are noted at time of registration. Onsite requests may not be accommodated.

The Fisheries Museum has an elevator and ramps for access to the meeting rooms.

**Weather**

The average temperature in May is between 5 & 13 C. Bring rain gear and be prepared for fog! Waterproof walking shoes are recommended.

Check Environment Canada's weather site for up to date weather information.
